The Law Of Attraction Esther Hicks

The Law of Attraction Esther Hicks has gained widespread popularity over the past few decades, largely due to the teachings of Esther Hicks and her husband Jerry Hicks. Their work centers on the concept that our thoughts, feelings, and beliefs directly influence our reality. The Law of Attraction Esther Hicks advocates is a universal principle suggesting that like attracts like—that positive thoughts bring positive experiences, while negative thoughts attract negative outcomes. Understanding and applying this law can transform your life, helping you manifest your desires and create a reality aligned with your highest good.

What Is the Law of Attraction?

The Law of Attraction is based on the idea that the universe responds to the energy you emit. According to Esther Hicks, this law is a fundamental part of the universe's fabric, operating whether you are consciously aware of it or not. When you focus on what you want, and maintain positive feelings about it, you send a vibrational signal that attracts similar energy back to you. Conversely, dwelling on what you don't want or harboring negative feelings can block your manifestations.

Core Principles of the Law of Attraction

1. **Like Attracts Like:** Your thoughts and feelings emit energy that attracts similar energies from the universe.
2. **Focus and Attention:** Your focus determines your vibration; what you concentrate on grows.
3. **Vibration and Frequency:** Everything vibrates at a certain frequency; aligning your vibration with your desires is key.
4. **Emotional Guidance System:** Your feelings are indicators of your current vibration and whether you're aligned with your desires.

Esther Hicks and The Teachings of Abraham

Esther Hicks is renowned for her ability to channel a collective consciousness she calls "Abraham." Through her seminars, books, and recordings, Esther shares insights from Abraham about how to harness the Law of Attraction effectively. The core message of Abraham's teachings is that you are a powerful creator, and your emotions are the compass guiding you toward or away from your desires.

The Emotional Guidance Scale

One of Abraham's most influential tools is the Emotional Guidance Scale, which helps you assess your current emotional state and understand your vibrational alignment. It ranges from feelings of despair or fear at the low end to feelings of joy and love at the high end.

1. Despair, Powerless, Grief
2. Fear, Insecurity, Jealousy
3. Disappointment, Doubt, Frustration
4. Overwhelm, Worry, Blame
5. Hopeful, Optimistic, Content
6. Enthusiastic, Passionate, Excited
7. Joyful, Loving, Appreciative

By consciously shifting your feelings upward along this scale, you can elevate your vibration and draw your desires closer.

Applying the Law of Attraction Esther Hicks Style

To effectively use the Law of Attraction as taught by Esther Hicks, it's important to incorporate specific practices and mindset shifts into your daily routine. These techniques help you maintain a high vibrational state and manifest your desires with greater ease.

Clarify Your Desires

Before you can manifest, you need to be clear about what you want. Take time to visualize your goals and desires, making them as specific as possible. Writing them down helps solidify your focus.

Align Your Vibration with Your Desires

Your feelings are the key to alignment. Practice focusing on positive aspects of your life, gratitude, and imagining your desires as already fulfilled.

1. Use visualization techniques to see yourself already living your desired life.
2. Practice daily affirmations that reinforce your belief in your ability to manifest.
3. Engage in activities that make you feel good and elevate your mood.

Practice Emotional Awareness and Shift

Monitor your feelings regularly and consciously shift towards more positive emotions when you notice negative thoughts creeping in. Techniques include:

1. Listing things you are grateful for.
2. Focusing on positive memories or future possibilities.
3. Using affirmations to reframe negative thoughts.

The Role of Belief and Expectation

Esther Hicks emphasizes that belief and expectation are critical components of the Law of Attraction. Simply wishing for something is not enough; you must believe it is possible and expect it to come to fruition.

Overcoming Limiting Beliefs

Many people harbor subconscious beliefs that block their manifestations, such as doubts about deserving or ability to receive. Identifying and releasing these beliefs is essential.

1. Identify limiting beliefs through self-reflection and journaling.
2. Replace negative beliefs with empowering affirmations.
3. Use visualization to reinforce your new beliefs.

Expect Miracles and Trust the Process

Trusting that the universe is working in your favor is vital. Surrendering control and allowing the process to unfold without resistance enables manifestations to come more easily.

While the Law of Attraction has many advocates, there are misconceptions that can hinder proper understanding and application.

5. Overcoming External Influences

- External circumstances may seem to contradict your desires. - Remember that your inner vibrational state has the highest influence over external results.
