1. The Primacy of Ethical Governance

Gauba strongly advocates for governance rooted in ethical principles. He believed that political authority must be

exercised with integrity, justice, and moral responsibility. For Gauba, ethical governance is not merely an aspirational ideal but a practical necessity for social stability and progress. He emphasized that: - Leaders should embody virtues such as honesty, humility, and service. - Political institutions should be designed to promote fairness and accountability. - Ethical considerations must guide policy decisions, especially regarding social justice and economic equity.
