Curriculum Structure and Components

The IGCSE Art and Design scheme is divided into two main components: 1. Portfolio of Work (Component 1) 2. Externally Set Assignment (Component 2) Each component has distinct requirements but collectively aims to assess a broad range of skills and understanding.

Component 1: Portfolio of Work

The portfolio is the core of the course, showcasing a student's development over time. It is typically built around a personal project that demonstrates exploration, experimentation, and refinement. Key features of the portfolio: - Size and Format: Usually submitted as a collection of works on A3 or A2 sheets, including sketches, studies, experiments, and finished pieces. - Content: Should cover various themes, techniques, and media, reflecting personal interests and ideas. - Development Process: Emphasizes the journey from initial ideas to final outcomes, with

evidence of planning, reflection, and critique. - Number of Pieces: While no fixed number, a robust portfolio might contain 10-15 well-developed pieces. Assessment criteria for the portfolio include: - Development of ideas and themes - Technical skills and craftsmanship - Use of media and techniques - Personal expression and originality - Reflection and evaluation

Component 2: Externally Set Assignment (ESA)

This component involves a preparation period followed by a controlled test: - Preparation Period: Students select a theme from a set of options provided by the examining board. They then research, develop ideas, and produce preparatory work. - Examination Period: A 10-hour supervised session where students create a final piece inspired by their preparatory work. Key points: - The ESA tests students' ability to work independently and respond creatively under exam conditions. - The final piece should demonstrate technical proficiency and personal interpretation of the theme.
