Sample Question 1:

Explain the significance of the Protestant Reformation in European history. Answer: The Protestant Reformation was a major religious movement in the 16th century that challenged the authority of the Catholic Church and led to the creation of Protestant churches. Initiated by figures like Martin Luther, who criticized church practices such as the sale of indulgences, the Reformation resulted in religious, political, and cultural upheaval across Europe. It diminished the power of the Catholic Church, promoted the idea of personal faith and reading the Bible, and contributed to the rise of individualism. Describe the impact of European exploration on indigenous populations. Answer: European exploration profoundly affected indigenous populations through the introduction of new diseases, such as smallpox, which decimated native communities. Additionally, colonization often led to the displacement of indigenous peoples, destruction of their cultures, and exploitation of their resources.
