What Are Hidden Maradmin Messages?

Definition and Purpose

Maradmin, short for Marine Administrative Messages, are official communications issued by the Marine Corps to disseminate policy updates, directives, and other important information. While many maradmins are publicly accessible or announced through official channels, some contain sensitive or internal information—these are often referred to as "hidden maradmin messages." They are typically circulated within specific units or command levels and may not be immediately visible to all Marines. The purpose of these hidden messages is to handle sensitive topics such as personnel assignments, disciplinary actions, security clearances, or operational strategies that require discretion.
