Entire collections can be stored on a single device without added weight or clutter. This encourages readers to explore multiple subjects at once, switch between topics, and revisit materials whenever needed.

transportation emissions. Downloading *Bala Tripura Sundari Book* contributes to a more efficient model of knowledge sharing.

Organization is another often overlooked advantage. Digital libraries can be sorted, tagged, and backed up easily. Readers can maintain structured collections without physical clutter. When information is well organized, it becomes easier to revisit ideas and build upon previous learning.
