The Event: The Breaking of the Fellowship Sheet Music

What Does "Breaking" Mean in This Context?

In the context of sheet music, "breaking" refers to a rupture—either physical or symbolic—in the integrity of the original composition. Digital Disputes and Censorship: In the digital realm, some platforms have removed or restricted access to certain scores due to copyright issues or community guidelines, effectively "breaking" the availability of the original sheet music. 3. Deliberate Acts of Vandalism or Protest: Occasionally, fans or activists may intentionally damage or deface copies to make a statement, perhaps against copyright enforcement or artistic commercialization. 4. Technological Failures: Digital files can become corrupted or broken due to hacking, server issues, or software incompatibilities, rendering the sheet music inaccessible.
