As a genetics professor with a penchant for order and routine, Don's worldview is heavily influenced by his Asperger's-like traits, although the novel never explicitly states this diagnosis. His social awkwardness and literal interpretation of language often lead to humorous yet poignant situations. Characteristics of Don Tillman: - Methodical and Logical: Don approaches life with scientific precision, exemplified by his detailed questionnaires. - Honest and Direct: His candor often results in social faux pas, but it also makes him genuine. - Emotionally Repressed (Initially): While not devoid of feeling, Don struggles to understand and express emotions. - Loyal and Well-Intentioned: Despite his quirks, Don's intentions are good, and he genuinely seeks connection. Her presence introduces chaos and authenticity into his ordered world. The Conflict: As Don and Rosie navigate their developing relationship, they confront misunderstandings, societal expectations, and their own limitations. Don's rigid methods clash with Rosie's free-spiritedness, leading to humorous misunderstandings but also moments of growth.
